

ENCOREPRO 540

Switch your style

Experience the no-compromise flexibility of the all-new EncorePro 540. Its convertible design provides a choice of three wearing styles for personalized all-day comfort, without compromise of performance.

Simplify your headset inventory with a single model that serves multiple user preferences. With tuned wideband audio and a custom noise-canceling microphone, you can expect outstanding call clarity on today's longer, more complex queries.

ENCOREPRO 540

HIGHLIGHTS

- Three-way convertibility for choice of wearing styles
- Soft, luxurious ear cushion for all-day comfort
- Visual boom positioning guide
- Wideband audio for higher quality calls

AUDIO PROCESSORS

VISTA M22

DA80

KEY FEATURES

- Choice of three comfortable and easily switchable wearing styles — over-the-ear, over-the-head or behind-the-neck — to serve the breadth of user preferences
- Elegant, super-lightweight, robust design and soft audio-optimized ear cushion provide all-day comfort
- Next-generation custom microphone reduces background noise and interference, ensuring fewer missed words and a better caller experience
- Visual boom position guide makes it easy to establish optimum mic placement
- Tuned wideband audio delivers richer, clearer conversations while SoundGuard technology protects users' hearing and listening fatigue
- Quick Disconnect feature provides walkaway convenience and compatibility with all Plantronics USB and desk phone audio processors and direct connect cables

EncorePro headsets require a Plantronics audio processor or direct connect cable to connect to phone, or USB audio processor to connect to computer.

VISTA M22 AUDIO PROCESSOR

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline audio to improve call quality in any environment, especially wideband VoIP.

DA80 USB AUDIO PROCESSOR

Compatible with all Plantronics QD-equipped headsets, the Plantronics DA80 is a high-performance USB audio processor with high-quality audio and one-touch call, volume and mute controls. The DA80 also helps you meet OSHA/Noise at Work regulations.

Connects to	PC or desk phone with Plantronics audio processors and cables
Ideal for	Telephone-intensive users, including formal customer care centers, help desks, telesales, and customer service organizations
Hearing protection	SoundGuard technology: acoustic limiting for protection against sounds above 118 dBA
Audio performance	Wideband audio (up to 6,800 Hz), noise-canceling microphone
Limited warranty	Two years

Headset	Model	Weight
HW540	Convertible, monaural, noise-canceling	Over-the-head 32g Behind-the-neck 24g Over-the-ear 22g
