With the Néo Déco range, Exacompta brings glitter to your glossy card classification and combines two wishes. Use the most beautiful material from our factories, plant-based, recyclable, ecological and economical and bring a bright nod to the basic filing accessories.

The ring binder is made from recycled cardboard covered with printed laminated paper which provides excellent water protection. It is thus guaranteed to be resistant, durable but also easy to recycle by removing the mechanics.

Rigid, it allows you to classify and store it on a shelf, on the desk, at school... while remaining transportable.

A4 format, suitable for classifying sheets, perforated pockets and A4 dividers. Made in France
